NORTHEASTERN EARLY LEARNING CENTER

Thank you for your interest in Northeastern Wayne Schools!

Northeastern is pleased to provide a preschool for the 2020-2021 school year. In order to be eligible for preschool, your child must be 4 years of age by August 1, 2020 for the 4's class, and 3 years of age by August 1, 2020 for the 3's class. Students will attend preschool at Northeastern Early Learning Center 5 days a week.

The Northeastern Preschool program serves children with special needs, children from low income, and other children from the Northeastern School District. Priority is given to children with special needs and children from low income who are eligible for the On My Way Pre K Program (CCDF). A limited number of spaces are available for students that do not meet the criteria above, with priority given to children who narrowly missed the cut off age for Kindergarten eligibility and live in the district or have siblings attending NWS. Some spaces may be available to out of district students.

The On My Way Grant is for students whose annual gross household income meets the criteria in the chart below. In order to be considered for the grant, the family must complete the application packet, provide proof of residency, proof of income, copy of child's birth certificate, copy of immunization records, and if applicable, proof of foster placement. Please return all documents to the Registrar's office.
